Opus is the annual **spiritual retreat** of the Continental Unitarian Universalist Young Adult Network. We are an intentional **community of seekers** ages 18 - 35 exploring liberal **religion**, social **justice** and **diversity**. HUMANS HEAL THE LAND AT OPUS 2010!

The Midewin National Tallgrass Prairie is the first national and largest tall grass prairie East of the Mississippi River.

We will be rotating among three different 90-minute activities. We will be planting native plants and harvesting seed in the River Road seedbeds, maintaining the Moses Morgan farmstead by clearing away encroaching invasive Honeysuckles and we will hop on a bus and tour around to see many different areas of Midewin to showcase its history and mission.

OPUS 2010 will nurture the land, nurture ourselves and the interdependent web of which we are a part.
